Safety Data Sheet

Prang Washable Watercolor Set

■ "Since 1795" ■
A ❖FILO COMPANY

1. PRODUCT AND COMPANY IDENTIFICATION					
Company Identification:	Dixon Ticonderoga Company	Date prepared: 5/7/2003			
	615 Crescent Executive Court ste.500	Last revised: 10/26/2015			
Lake Mary Fl, 2746					
	Telephone:(800) 824-9430				
Product Name: Product Code(s):	Prang Washable Watercolor Set				
	80525, 16016, 80519				
2. HAZARDS IDENTIFICATION					
Emergency Overview	Not an acute hazard- conforms to ASTM D-4236 CAUTION! Packaging may be subject to ignition by fire and may release toxic or other irritating gases				

ComponentCAS-#%WeightProducts bearing the CL Certified Products or AP Approved Products seals of the Art and Creative Materials Institute's, Inc.are certified in a program of
toxicological evaluation by a medical expert, subject to review by the Institute's Toxicological Advisory Board, to contain no materials in sufficient quantities to
be toxic or injurious to humans or cause acute or chronic health problems.
Conforms to ASTM D-4236

3. COMPOSITION/INFORMATION ON INGREDIENTS

This product is not considered to be a hazardous substance as defined under OSHA's Hazard Communication Standard (29 CFR 1910.1200)

Immediately flush with plenty of eater. After initial flushing, remove any contact lenses and continue flusing for a least 15 minutes. Get medical attention immediately if irritation develops and pensists. Skin Contact Wash off immediately with soap and plenty of water. Use a mild soap if available. Rinse immediately with plenty of water for at least 15 minutes. Remove contaminated clothing. If irritation develops, get medical attention. Inhalation If breathed in, move person into fresh air. If breathing is irregular or stopped, administer artificial respiration. Get medical attention immediately. Ingestion If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center immediately, Never give anything by mouth to an unoncicous person. Inserting Media: Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers Special Fire Fighting Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers Special Fire and Expression Self contained breathing apparatus (SCBA) and full protective equipment recommended Cursual Fire and Expression No data Eftamability Imits: No data Atto-ignition temperature: No data Planmability Imits: No data Atto-ignition temperature: No data Planmability Imits: No data A cacidental Release Measures A Dust layer igniti		4. FIRST AID MEASURES				
Get medical attention immediately if irritation develops and persists. Skin Contact Wash off immediately with soap and plenty of water. Use a mild soap if avaliable. Rinse immediately with plenty of water for at least 15 minutes. Remove contaminated clothing. If irritation develops, get medical attention. Inhalation If breathed in, move person into fresh air. If breathing is irregular or stopped, administer artificial respiration. Get medical attention immediately. Infastion If swallowed, DO NOT induce vomiting. Call a physician or Poison Control Center immediately, Never give anything by mouth to an unconscious person. Special Fire Fighting Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers Special Fire Fighting Packaging may be subject to ignition by fire and may release toxic gases Clammability Data: No data Clammability limits: No	Eye Contact					
Wash off immediately with soap and plenty of water. Use a mild soap if available. Rinse immediately with plenty of water for at least 15 minutes. Remove contaminated clothing.
